50 DAYS - 8 EPOCHS!

The Eight Great Epochs In The Fabric Of Time DVD’s and work pad have been pro-
duced to help grasp the “big picture” on the God Story and to think through some of the
deeper issues of life.

I have done my best to accurately represent the Living God’s words about time, eternity,
life, death, and the human struggle.

There are 4 DVD’s that include eight presentations which are about 30 minutes in length.
This work pad follows these DVD presentations, asking questions to augment your under-
standing of what is presented.

My work is to provide an accurate representation of the facts, not recruit you to an ideol-
ogy. It is my hope that your worldview will be enhanced as you systematically think your
way through each Epoch in their unfolding context.

For a ‘beginner’ it would be good to read the verses, but for someone looking for a fuller
understanding of the God story, context is always necessary. To find context, you should
read back and forth over the verses that are listed. And if you can, underline or highlight in
your bible each verse you reference.

ENJOY!

How to get the most out of this experience...

The slides on these pages mirror the eight presentations included in your four DVD’s. I believe if you take three different “passes” at each presentation, you will walk away with enough to evaluate and stimulate your personal worldview from a spiritual perspective.

What do I mean by worldview?

Each of us has a series of beliefs or operating principles upon which we make our decisions. For instance, if we lose someone important to us at some point in our life, it may make us sad, depressed, thoughtful, searching, angry, or aggressive about denial. It could make us overindulge in drinking or dangerous about unhealthy choices for food intake. Our experiences, whether traumatic or pleasant, all help to shape our worldview. Each of our worldviews is made up of hundreds of pieces to each puzzle that is uniquely us.

ONE: THE LISTENING & OBSERVING PASS

I would suggest viewing one presentation, paging through the work pad as you listen. Try to grasp each part of the unfolding epochs, and to weigh each of the conclusions. Track the teaching with the slides, making sure you are weighing the story being told with whatever background you have in the scriptures.

TWO: THE ABSORBING PASS

Next, return to each page of that section and answer the questions that are presented - slide by slide. This gives you a chance to absorb what I am communicating and then to look at the passages from which I have derived my conclusions. This should be deliberate and involve some time set aside to think things through. Do I think this is right? Is this something I have encountered or wrestled with before? Is each of these epochs relevant to how my life is unfolding?

THREE: THE WORLD VIEW PASS

Finally, draw some conclusions about your own worldview. Does this principle (and Dave’s conclusions) ring true for me? Is the foundation of how I operate definite and strong? Is there any place where I should consider modifying my worldview? In what ways do I feel as though I am on shaky ground with this principle? On solid ground?

If you will take the time to weigh each epoch and evaluate your personal worldview, I believe you will grow in your understanding of the Kingdom, your usefulness to the King, and your satisfaction with your spiritual life.

The terms “old” and “new” testament are not something that appear within the Scriptures, but are man-made distinctions. Even our traditional teaching of the trinity presents some biblical challenges. There is little doubt that both the Creator Father and the Son reveal themselves as distinct, yet in Their very essence, One. There is only one testament, and only One Living God.

MY WORLDVIEW
Do I believe that God is One? Does it make sense that there is only one story and one “testament?” Why would this make any difference to me as I read the God Story?
When God chose Abraham it was not because he was a Jew. God was going to fashion a chosen people for His own purposes, and Abram was His choice.

We know from Genesis 1-11 that mankind was subverting the Living God’s purposes for the human race. He confused our language and scattered us to the four winds - so that His purpose of redemption could be brought about through loss. This loss was shared with the Living God - in the garden we lost our innocence - and our souls. Before the foundation of the world - the Lord God gave His Son. We cannot imagine the depth of this loss.

The God Story was given to the Jews. Through this nation the power of God would be shown. Through them the scriptures would unfold and be cared for. Through the Hebrews the Messiah would be born - to save us from our sins.

One of the questions I want to ask God when I see Him face to face is why loss was necessary for redemption. Redemption (rescuing) and loss (separation) are somehow linked to who He is on a very deep level. It is also totally entwined with who we are.

Life is a gift of amazing proportions. Loss is inevitable for any human - because death is loss. But the Living God is bringing about a great glory - and He has included mankind right in the middle of the Epic story!

ORIGINS
It is important to realize that GENESIS 1-11 as well as the book of Job are not Hebrew. They are Human. Through the Hebrew scriptures the Living God has preserved the Story of our origins.

So Paul stood in the midst of the Areopagus and said, “Men of Athens, I observe that you are very religious in all respects. “For while I was passing through and examining the objects of your worship, I also found an altar with this inscription, ‘TO AN UNKNOWN GOD.’ Therefore what you worship in ignorance, this I proclaim to you.

“The God who made the world and all things in it, since He is Lord of heaven and earth, does not dwell in temples made with hands; nor is He served by human hands, as though He needed anything, since He Himself gives to all people life and breath and all things; and He made from one man every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation, that they would seek God, if perhaps they might grope for Him and find Him, though He is not far from each one of us; for in Him we live and move and exist, as even some of your own poets have said, ‘For we also are His children.’

“Being then the children of God, we ought not to think that the Divine Nature is like gold or silver or stone, an image formed by the art and thought of man. “Therefore having overlooked the times of ignorance, God is now declaring to men that all people everywhere should repent, because He has fixed a day in which He will judge the world in righteousness through a Man whom He has appointed, having furnished proof to all men by raising Him from the dead.”

Now when they heard of the resurrection of the dead, some began to sneer, but others said, “We shall hear you again concerning this.” So Paul went out of their midst. But some men joined him and believed, among whom also were Dionysius the Areopagite and a woman named Damaris and others with them.

Paul had been a devoted Jew. He had encountered the Hebrew Messiah, the Son of God, Who is the Savior of the world.

What was Paul’s approach to explaining the God Story to these pagans?

THE HEBREW CONNECTION TO OUR LIVES

As we begin to nail down the Eight Epochs of the God Story it is important to properly interpret the role of the Jewish (Hebrew) people. Not understanding this connection is like moving through life with no ties to our family history. The Hebrew story is our “roots.” Our human story in GENESIS 1-11 provides the root for the Hebrew story.

WHY DO OUR ORIGINS MATTER?
The sheer volume of knowledge that has been garnered in the last generation is astounding. Daniel prophesied that in the last days “knowledge will increase” (Daniel 12:4). Think about what has been learned since the launching of the Hubble satellite with its’ amazing telescope! In science and physics, let alone quantum physics, we have made mind-blowing progress in understanding the complexities and beauties of design, right down to the molecular level. It is no wonder God said at the Tower of Babel “nothing which they purpose to do will be impossible for them” (Genesis 11:6).

Genesis provides THE authoritative theological and scientific explanation of our roots. Our connection to our Creator and everything that is made is carefully and succinctly set forth for anyone who wishes to plumb the depths of the real meaning of our existence.

WHY THE GENESIS ACCOUNT OF OUR ORIGINS IS BELIEVABLE

Honest minded scientists are open to intelligent design. Randomness is simply not scientifically satisfying. The Bible’s science is impeccable and super-intelligent. Natural laws do not preclude supernatural intervention.

Other religious and “modern” accounts of our origins seek to paint mankind in a flattering or self-serving manner. The Bible does not pander to the human ego. It is brutally truthful when it makes scientific, theological, or anthropomorphic claims. While other belief systems bring Creator down to created’s level, the Scriptures do just the opposite. God comes near to return mankind to a restored relationship with our Creator.

I AM YOUR CREATOR - I AM THE FATHER OF ALL LIVING THINGS

For the purposes of this study it is important to recognize the connection of Job to the book of Genesis. It is also helpful to understand the unfolding story of the chosen race, and this is best done by becoming familiar with the life, faith, and foibles of the four patriarchs: Abraham, Isaac, Jacob, and Joseph.

DO ALL ROADS LEAD TO THE SAME PLACE?
The subject of other religions is an interesting one. According to scripture there are basically two religious systems. They are as old as the Garden of Eden.

There is the existence of the Living God. All things created flow from Him, the Son proceeds eternally through Him. He is simply the Father of everything.

From His created beings another “god” emerges. He is one of three archangels. He is a usurper of the glory of the Living God. His name is Lucifer, son of the morning. He is extremely powerful, though all of his authority is derived from his Creator.

From these two sources come all other “gods” and religions of the earth. Just as Lucifer tempted Adam and Eve to usurp the Father’s authority over their lives, so other religions hold promise of “liberation” from accountability to our King.

I recommend taking the time to personally investigate Judaism, Islam, Hinduism, and other eastern syncretism - as well as historic Christianity. Compare them to the ancient faith of Abraham, father of the True Jews. Hold each one next to the unfolded God Story from the Hebrew Messianic Scriptures (both “old and new” testaments) - and make your own determination concerning authenticity.

You owe the process to yourself - and the Honor to your Living Father!

Am I familiar with other religious belief systems and the claims they make about spirituality? Am I firm in my choices for what I believe?

DELIVERANCE
GOOD NEWS & BAD NEWS
The story of Genesis is one of understanding our roots. If the Living God is who He says He is, the implications are massive. Implicit in an understanding of our ORIGINS is our need for DELIVERANCE. The Good News means little if we are not acquainted with the Bad News.

Through Adam and Eve we were created to live forever. That was changed when our parents rejected God’s Word in exchange for the serpent’s word. If we are to once again acquire eternal life, it will be done through faith in the One whom God has sent.

MY WORLDVIEW
Do I believe that God is my Father? Do I believe that I was born separated from God?
_________________________________________________________________

Do I believe that I am lost apart from God’s intervention in my life?
_________________________________________________________________

Do I believe that my Father cares enough about me to search for me and deliver me?
_________________________________________________________________
It is easy to think that God is not going to come through. It is clear from Scripture and from life experience that all men and women die. Whether Adam and Eve, Noah and his family, the people in the wilderness, Moses himself, or you and me - one fate awaits all men.

But it becomes clear in the God Story that there is more to life than living and dying - there is reward and hope as well. This is the outcome of faith. We have meaning for more than our 80 or so years of life upon this earth. The Law and the prophets lay the foundation for this understanding. Life is good, but what good is life lived apart from God?

Israel saved Joseph’s bones and buried them in the promised land (see Exodus 13:19 and Joshua 24:32). While Joseph may have been buried in an Egyptian coffin - his life and death are a picture of the delivering redemption that is on the horizon!
The Lord God has remembered His people in Egypt. He has provided deliverance through Joseph, and now has brought His people out of Egypt with a “mighty hand.”

The book of Exodus not only describes this process for the Jews, but also for all who call upon God to deliver us into eternal life. He leads them out through the fire and the cloud.

Because this generation has grown up in Egypt and does not know the Lord, He gives them His Law at Mount Horeb to explain who He is. Yahweh then provides a meeting place called the Tabernacle, where His people can experience His presence.

The priesthood is established in Leviticus to help the Hebrews draw close to their Deliverer. Faith is God’s desire for His people, just as it is today.

If you take the time to read and note each of these section passages in your bible, you will establish a solid, basic understanding of His “Torah” or Law. And you will also move deeper insight into how God has chosen to deliver mankind!

Some basic geography is a helpful backdrop for understanding the Promised Land. Note

Nazareth where He grew up - just west of that sea. Now trace the Jordan River, flowing
out of the Sea of Galilee downward to the Dead Sea. Look to the left and you will find Je-

is Masada, a site with amazing history. For our current purposes note the city of Jericho at
the top of the Dead Sea. This is the city mentioned in the book of Joshua. The Living God

PROPHETS & CAPTIVITY
WELCOME TO THE PROPHETS & THE STORY OF ISRAEL’S CAPTIVITY

The early prophets began to explain to the people why they were headed for captivity. Even their best kings were unable to deliver them spiritually. It is in God’s eternal plan to bring all honor and glory to Himself. Men and women of God are instruments in this process.

The particulars and purpose of Israel’s fall and subsequent captivity is two-fold. First is to recount the story of these two disobedient “sisters” and the consequences for placing idols above the Living God. But there is also a deep companion message communicated through the prophets: “If you will return to Me - I will return to you.”

The Lord is gracious with humanity - and gracious with His people. He “longs to be gracious” to us (ISAIAH 30).

As you encounter this section and observe the severity of captivity - remember that God will move heaven and earth to restore a soul. Life is for 80 years if we are fortunate. Eternity is forever!

DIVIDED KINGDOM = GOOD & EVIL KINGS
NORTHERN KINGDOM = SAMARIA/ISRAEL
SOUTHERN KINGDOM = JUDAH

Here are some basic facts about the prophets that provide a helpful backdrop for your study of the kings of Israel:

Before the **Exile** prophets were speaking to both the Northern Kingdom (known both as Israel and Samaria) and the Southern Kingdom (Judah). Ezekiel followed Israel into **Captivity** and Daniel was taken as a young man - and prophesied there all of his life. During the **Return** three prophets were raised up to encourage the returning remnant of Jews: Haggai, Zechariah, and Malachi.

Prophesies found their fulfillment sometimes in the current time they prophesied, sometimes in the Messiah, others in the future - and some in more than one time period.

After the split in the Kingdom there were two dynasties of kings. Each prophet had a particular audience and a specific role. They came from both low and high places in society. Each prophet’s desire and mission can be summarized in the phrase “return to Me.” God wanted the hearts of His people to RETURN to Him.

- Six Questions -

"Your words have been arrogant." 3:15

There is a big difference between asking God and seeking answers and questioning His authority. Why ask questions that have been asked - and answered?
With the transfer from the Greek to the Roman empire, the world entered a new phase of sophistication and domination. No one would be able to stand before Rome. But before the coming of the Messiah, Judas Maccabeus and the priests of Moden delivered Israel from the emerging iron fist of Rome. This political independence was highly valued by the Jews, and once Rome’s grip re-emerged and crushed any rebellion in the empire, it left them longing for a promised “Messiah” who would, in their minds, bring national sovereignty once again.

There are apparently accounts of about 30 “messiahs” in Jerusalem as the public ministry of Christ took place. The religious leaders investigated the authenticity of the claims of each, and in the “fullness of times” the Son of God was revealed. The **four hundred years of silence** (no prophets) was anything but silent. Culture, power, and universal language (Greek) all were shaped into the backdrop for the Good News to launch to “the nations.”

Remarkable times indeed!
EPOCH SIX
SHINING LIGHT
As you can see though our study thus far, the coming of the Son in human form is not whimsical or reactionary. God’s Son literally “incarnates” into a human child and grows to adulthood for the express purpose of “buying back” the souls of mankind.

This is what the concept of “Messiah” is all about. The word means “to smear” or anoint - and clearly is the fulfilled promise of acceptable blood sacrifice foreshadowed in Adam and Eve and their two sons, Cain and Abel.

This SHINING LIGHT is none other than the Creator Himself. There is no doubt that a “covenant” or agreement was made before the foundations of the world between the eternal Father and His Son. This is the prophesied “Shiloh” of GENESIS 49, the prophet of DEUTERONOMY 18, and the Shining Light spoken of in ISAIAH 9. He is the great High Priest of all who believe in Him (HEBREWS 3).

John the Baptist knew who He was (JOHN 2). His followers knew as well (MATTHEW 16). All that remains is for us to believe or disbelieve.

FOUR GOSPELS - FOUR PROPHETIC PURPOSES

If you were the Creator and You were going to present Yourself to thousands of cultures over a period of thousands of years, what approach would you take? Yahweh (the Living God) chose to give one people His Torah - His Law. This Law would suffice for speaking His truth until the “fullness of times,” when His own dear Son would come to conquer death and rescue mankind.

The Jewish mind would trace everything to an authentic Messiah. His pedigree would be important, for Israel was God’s chosen people to bring the Light to all the nations. The historic Hebrew context for the Good News would present the seamless Gospel - where those who live by Faith in the Living God will find life. This is the purpose of MATTHEW.

The Gentile would be much more interested in what Jesus did. MARK is a book of action, and the thoughtful reader who listened to the testimony was struck with the authority by which the Word made flesh commanded the blind and the sick.

The Greek mind would be interested in a chronological account regarding such an amazing appearance. This is where Dr. LUKE came in, placing the weight of Jesus’ deeds into the greater Story - a “meta-story!”

JOHN, arguably the closest person to the Son of God during His public ministry, wrote for the human heart in every nation under heaven. Here was a personal Gospel, and even though it was contained in an historic context, we have only a small part of all that Jesus taught and did! Read JOHN 21:24,25.
The prophetic Word concerning the Messiah is significant to every human being who ever has or ever will live on the face of the earth. Check out 2 PETER 1:19. The Morning Star was a re-set point for travelers in the ancient world. It is a reset point for us as well!

These portions are limited in scope. LUKE gives us the full account of the amazing event. This is the birth of the True King!

John the Baptist was the one spoken of in ISAIAH 40 who would “prepare the way” of the coming Messiah. While his ministry was brief, he accomplished all that the scriptures prophesied about this “Elijah.”

Jesus spent most of His time in GALILEE, training His followers, preaching the Gospel to the non-religious poor, and healing the sick and suffering.

He would often come to JERUSALEM for feasts and celebrations, most often spending the night in the Garden of Gethsemane. This is where He twice scourged the money-lenders in the Temple.

Jesus’ destiny was completely in His own hands. He is “laying down His life” willingly and on His timetable. He is more a LAMB than a King - for now!

As if the many who saw Him after His resurrection were not enough, men and women from every NATION under heaven are experiencing Him - every day in every year!
The center of spiritual life: GALILEE
The center of religious life: JERUSALEM

Take a moment and familiarize yourself with the regions, cities, and geographical markers. Doesn’t it seem odd that Jesus would work from Galilee rather than Jerusalem?
Take a few minutes and review the current snapshot of the nations in the Middle East.

Egypt and Africa are to the south and west.
Asia and Rome are to the west and north - above the Mediterranean.

What does this map reveal about current and end time events?
Our trip to Israel was expensive, long, and truly amazing. After reading the bible for so long, it was almost surreal to see the sites in this whirlwind 10 day trip. I am no expert on Israel, but we had a multi-generational Jewish guide who was amazing. I felt as though we were traveling through the Promised Land with a professor who not only knew his facts, but had “lived it” and was immersed in what it meant to be a modern Jew - with amazing historical roots.

We flew in to Tel-Aviv which is in the Southwest corner of Israel on the Mediterranean Sea. Tel-Aviv resembles a modern capital with Jerusalem being more traditional and religious. We then moved up the coast and stopped at Caesaria and toured some remarkable Roman excavations. This was Herod’s port city and point of sea entry for Roman goods, culture, and influence. It is worth checking out online!

We then traveled north to Mt. Carmel (above), the traditional site of Elijah’s encounter with the prophets of Baal (1 KINGS 18). From the top of this mountain you can see the plains of Megiddo or Jezreel. It took my breath away. I remember thinking that this valley really will be able to hold the armies of the earth! We then headed east through Nazareth (where Jesus grew up) and into Galilee. Israel is tiny! (about the size of Rhode Island). We moved northward to the head-waters of the Jordan, to the city of Dan (1 KINGS 12).
Through Dan (the historic northernmost city of the Kingdom) run the head waters of the Jordan, coming down from Mount Hermon in the North (Psalm 133). Water has been a perennial issue for Israel in that much of the Land is irrigated. The entire Valley of Jezreel was a tangled swamp in the early 1900’s, and it has been irrigated and tamed into some of the most productive farmland in the world today. Seventy percent of Israel’s water comes from this water system, flowing into the Sea of Galilee and then to the Dead Sea. Dan was the northern site for worship (1 Kings 12). There is currently an excavation of the site of the old city of Dan where Abraham tracked down and defeated the Kings that had taken his family (Genesis 14).

In this northern area is the city of Caesaria Philippi, where there is a worship shrine for the honor of the Greek god Pan. It was known as the “gates of hell.” A stream used to flow out of this mountain - hence the site of cultic civilization. This is the place where Jesus said to Peter that upon this truth He would “build His Church (Matthew 16:18) - and the “gates of hell” would not prevail against it.” Amazing!
Galilee was quite breathtaking. We did the “Sea of Galilee fishing tour” as good tourists do - but the sunrise really was memorable. The top photo is the excavation of the synagogue in the fishing village of Capernaum, where Peter’s house has been excavated. To the right is an example of one of the many excavated items - this being a grinding mill.

Probably the coolest thing was to look at the surrounding bluffs and try to imagine how Jesus used the water and the hillsides to speak His words of life. The whole region is a natural amphitheater - far from the religious bustle of Jerusalem - or the influence of the Roman cities of the Decapolis.

It is striking that Jesus spent most of His three to four year public ministry traversing Galilee. But then, after all, He was to come as the “shining light by way of the sea!” (ISAIAH 9:1 and MATTHEW 4:15)
The city of Bet’ Shean was next on our agenda. It was one of the ten cities of the Decapolis - huge feats of imported marble, columns, and civilization. Much of the Roman architecture was delivered by boat to Caesarea on the sea and then brought across land, or came down on the trade routes via the King’s Highway. Bet’ Shean was destroyed by an earthquake in the first century - so it is a preserved archeological find of amazing proportions. The photo below doesn’t do the amphitheater justice. This visit gave a real sense for the extent, power, and glory of the Roman Empire during the time of the Messiah.
THE STREAMS AT EN-GEDI

King David spent much of his life in the wilderness. When he fled from Saul, the caves (middle left) played a role in the drama (2 Samuel 24). As I sat in this valley I noticed the large stone I was sitting on was fossilized. Unlike so many sites where layers of civilization had accumulated, this place was pristine. The rock I was using as my chair could have served David in his day!
The Dead Sea (Salt Sea); is totally unique. You can see the salt in the water (and very few water-skiers!) The extracted minerals continue to be a valuable commodity. The region between the seas and Jerusalem is miles of rocky terrain, and the stronghold of Masada was breathtaking (below). Used by Herod the Builder as a palace to entertain his Roman guests, it became a symbol of Jewish resistance to Roman rule during the time after Christ. This the area where the Dead Sea Scrolls were discovered, providing many excellent original manuscripts. Some of these scrolls are on display at a museum in Jerusalem. It is quite sobering to gaze upon a Dead Sea manuscript of a portion of the book of Isaiah!
Driving into Jerusalem at dusk was pretty cool. The lighting makes a surreal statement as you gaze at the mosque called the “Dome of the Rock.” Jerusalem is a holy site of Islam - second only to Mecca. The dome structure is actually quite ornate. Notice that the Eastern Gate of the Temple Mount has been filled in. The King will come from the East, His feet will touch down on the Mount of Olives, and He will enter the Temple. This is why a Muslim cemetery was built in front of the Eastern gate - because surely the Messiah will not defile Himself by walking through a graveyard. This presupposes, of course, that Messiah is not the God of the living AND the dead!
Above: Under the Temple Mount on the bedrock of the mountain you will find Mount Moriah (GENESIS 22:2; 2 CHRONICLES 3:1). It is incredible to think that Abraham’s site for sacrificing his son - is the same place Yahweh chose to offer His Son!

Below: In 70 AD the Temple was destroyed and the ruins were pushed over the western edge of the Temple Mount. Many levels of civilization have been built upon the site. Excavation begun in secret has only recently been pursued in earnest. You can imagine the historical significance of such interesting work!
THE SECOND TEMPLE - BEFORE 70 AD

One of the wonders of the world, the rebuilt “Herodian Temple” was amazing. Notice the size of the human figures in this model, and imagine Jesus being taken by Satan to the pinnacle of the Temple. Quite a drop!
Travel to another land is always a stretch for the senses. If you are a “people-watcher” as I am, you would have appreciated my just purchased camera with a solid zoom lens. It is always amazing to watch such foreign-to-me people going through the same things I do every day. It is during these times I wish I could understand and speak other languages! Most of the time I was able to photograph unnoticed. :0
The architecture in Israel is striking because it reflects such a span of time and so many cultures. The city of Jerusalem is currently shared by worshippers from Hebrew, Muslim, Roman Christian, and Orthodox heritage. This doesn’t take into account the millions of “pilgrims” that come yearly from around the world from almost every country and walk of life.
The art and atmosphere was quite different than what we had imagined. I’m sure our experience was not a broad one artistically, but we did find a few pieces that captured our cultural experience. Upper right: a painting of an old rabbi who reminded us of Simeon (it was snatched from our hands and purchased by our travelling companions. We have been granted visiting rights.)

Prayer devotees at the “wailing wall” - a wall which at any one part of the day finds Muslim, Jewish, Greek Orthodox, and other “pilgrim” worshippers (not at the same time!). By the same artist: a soldier and shawl-clad prayer participant - capturing the reality of the military presence - just a part of the Jewish every day experience. We purchased the print of the students struggling to stay awake during their training. It struck a chord in our Gentile imaginations!
One unexpected encounter was our visit to the Holocaust museum in Jerusalem. Most of the photos on this page came from the Children’s Memorial, but the whole experience was incredibly moving. Piles of shoes and clothing from men, women, and children slaughtered by Nazi’s. There were filmed testimonials from some dead and some still living. It struck me that a common saying in Israel is “never again.” Never again will the Jews wait for the other nations to come to their rescue. Can you blame them?

NEVER AGAIN

As each child’s name is read in their native language and then in English, you cannot help but hang your head in shame for the human race.

It is important to grasp the events of the life of Christ in order to understand His role in our present and future. Just as He walked this earth in submission to His Father's will, we are to pursue the will of the Lord Jesus Christ for our own lives. By understanding the chronological sequence of events, we can clearly see the plan of the Master as He accomplished His purposes. In the Gospels we see firsthand "the author (beginner) and perfecter (finisher) of our faith."

As we observe the "Footsteps of Jesus" we see the pattern for a spiritually productive life; lived perfectly by the only One who was able to do so. This chronology will help us to learn more about this effective pattern for living to help us please the One who created us. The four Gospels give four harmonizing perspectives on this miraculous life!

TO THE ENDS OF THE EARTH
Within the age of time we have found the Bible’s explanation of our roots and the ORIGINS of both the human and chosen races. The CHOSEN RACE was delivered from bondage and given the privilege of honoring the Living God among the nations. They inhabit the PROMISED LAND after 40 years of wandering in the wilderness, and are given judges, prophets, and kings to guide them as a spiritual nation.

The Chosen people reject God’s Law (the Torah) and in so doing reject Him. The Creator gives them over to 80 years of CAPTIVITY, and afterwards supernaturally restores them to the Promised Land. 400 years of SILENCE ensue during which God is anything but silent. The last prophet speaks, and John the Baptist emerges as the “one crying out in the wilderness.” (ISAIAH 40).

The “fullness of times” has arrived, and the spiritual, social, and political sovereignty are all in place. The Roman Empire and the Greek language form a conduit that simply launches the Good News throughout the world, upon the foundation of the Hebrew experience. Jesus or “Yeshua” is the SHINING LIGHT - God Himself. He makes many “disciples” or followers and send them to the ENDS of the earth!
THE FOLLOWERS OF THE LIGHT

During Jesus’ time on earth He deeply impacted family, friends, and followers. He brought the Good News to the Jews because it was theirs by birthright - He brought the Good News to the nations (Gentiles) because this was His plan from the beginning.

READ JOHN 10:16 AND GENESIS 12:3.
What do you learn about the above statement from these two passages?

________________________________________________________________
________________________________________________________________
________________________________________________________________

Jesus carefully selected 12 “disciples” and about 70 other men and women to accompany Him during His public ministry. For 3-4 years they lived, ate, and slept the Kingdom. Their home base was Galilee, with many forays into Jerusalem, Samaria, and “beyond the Jordan.” This band of men and women, along with the Jewish network throughout the empire, would together turn the world upside down!

What they all seemed to have in common was an understanding that Jesus is the Light of the world. What are the revolutionary aspects to my personal encounter with Jesus Christ, God’s Son?

Jesus almost seems cruel in dealing with this woman. Why would the fact that she is a Gentile have been held against her?

Why had the woman come to Jesus?

What did her persistence reveal about who she was spiritually? This is what Jesus was talking about in MATTHEW 5:1-11!

- JOHN, 1-2-3 JOHN written
READ ACTS 2

It is important to recognize that the book of Acts is more the “acts of the Holy Spirit” than the “acts of the apostles.” There were Jews and converts from “every nation under heaven” for the Feast of Pentecost, which occurred 50 days after Passover.

Jesus was very clear with His disciples: “You shall receive power after the Holy Spirit has come upon you…” Some people mistakenly believe that the Holy Spirit was not present before Pentecost, but He was present at the Creation of everything (GENESIS 1:2) - as was the Son (HEBREWS 1:2).

This outpouring occurred for the express purpose of launching the Good News to both Jews and Gentiles, and to make it clear that the “fullness of times” was at hand. The effect was electric. These participants dispersed to every corner of the empire - testifying to the reality of the resurrection. Remember, the bold “sermon” of ACTS 1 is a backdrop for the outpouring of ACTS 2.

DAY THIRTY-NINE
JERUSALEM

The Gospel poured out of Jerusalem into the world after the Day of Pentecost. That day (ACTS 1-2) there were Jews celebrating the feast from “every nation under heaven.” Peter, James, and John were “pillars” in this work, along with the other apostles.

This platform for the Good News was built upon the emerging Kingdom and was rooted in the Hebrew scriptures. Her enemies (see the Jewish leaders) were arrogance and the idolatry of tradition and achieved standing among men.

The roots in Jerusalem were very Hebrew, and through the Law and the Prophets and the Psalms, grounded the fledgling church in a deep, rich history.

ANTIOCH

The Gospel launched to the Gentiles out of Antioch, primarily under the leadership of men such as Paul, Silas, Barnabas, and Apollos. Antioch was hundreds of miles north of Jerusalem, and poised strategically to reach all the way to Rome - and everything in between.

Antioch was built upon the expanding Kingdom, a “called out” group of Gentiles taken from the “nations.” Rooted in the Gospel and the letters, the early “church” stormed the bastions of false gods and worthless idols, calling lost Jews and Gentiles from all over the world to become “one new man” in Christ.

Their chief enemy was paganism and syncretism, against brash idolatry and hybrids that seem to be in never-ending supply when the Kingdom is expanding in the world.
THINK THROUGH THE OVERVIEW ABOVE

READ ACTS 1:8
Notice how the Gospel grows just as Jesus said it would - to the Jew first and then to the Greek (Jerusalem, Judea, Samaria - then the world!). (page 108)

There were three “missionary journeys” as the Good News spread from the Jews throughout the world to the Gentiles.

Notice how each “letter” is placed somewhere on this historic growth continuum. From a handful of men and women disciples the world was literally turned upside down by the power of God in and through their lives!

Each of these letters is a tool for the Holy Spirit as we devote our hearts to the King of Kings, and await His coming from heaven.

THE BOOK OF ACTS CONTINUES TO UNFOLD IN AND THROUGH OUR LIVES!
It is important to understand that the word “church” is used only a few times in the Gospels - but the word Kingdom is used over 100 times.

The historic church has somehow switched this emphasis, not realizing that by diminishing the Kingdom (which is organic, growing in the hearts of Kingdom followers) and focusing on building the church (which is organizational, focused on visibility) - a theological hybrid has been produced that has trouble reproducing in the soil of the world.

The Hebrew demonstration is the foundation. The Law, the Prophets, and the Psalms revealed the Messiah. The Gospels and the apostles work together to build the house upon the deep roots of the Hebrew faith. (LUKE 24:44)

At the end of the age our Hebrew roots will unfold with the Mystery of the Church and fulfill the Kingdom Heart of the Messiah and His Father (EPHESIANS 2:15).

When the end comes we will be separated into sheep and goats (MATTHEW 25:32). The sheep will move into life. The goats will not.

This is the story of the Biblical Kingdom.
- EPOCH EIGHT -

END OF THE AGE
Within the age of time we have found the Bible’s explanation of our roots and the ORIGINS of both the human and chosen races. The CHOSEN RACE was delivered from bondage and given the privilege of honoring the Living God among the nations. They inhabit the PROMISED LAND after 40 years of wandering in the wilderness, and are given judges, prophets, and kings to guide them as a spiritual nation.

The Chosen people reject God’s Law (the Torah) and in so doing reject Him. The Creator gives them over to 80 years of CAPTIVITY, and afterwards supernaturally restores them to the Promised Land. 400 years of SILENCE ensue during which God is anything but silent. The last prophet speaks, and John the Baptist emerges as the “one crying out in the wilderness.” (ISAIAH 40).

The “fullness of times” has arrived, and the spiritual, social, and political sovereignty are all in place. The Roman Empire and the Greek language form a conduit that simply launches the Good News throughout the world, upon the foundation of the Hebrew experience. Jesus or “Yeshua” is the SHINING LIGHT - God Himself. He makes many “disciples” or followers and send them to the ENDS of the earth!

The Church has accomplished Her purpose - the Kingdom has grown to include every predestined soul within the scope of God’s sovereign grace - now it is time to roll up the scroll of time and return to ENDLESS ETERNITY FUTURE!

Page 130 - End of the Age
YOU HAVE JUST SPENT A NUMBER OF HOURS LEARNING MUCH ABOUT THE OVERALL STORY OF THE BIBLE.

YOU NOW KNOW:

- the designations “old” and “new” testament are man-imposed
- the origins of all we see have been scientifically and spiritually explained
- all men are born fallen in our human nature, and the Lord God is our only hope
- the Living God intervened by presenting His only Son to buy back the souls of man
- God has spoken through Creation, His Word, and finally through His Son
- through each of the Eight Epochs in the fabric of time we are taught more about the Story, who God is, who we are, and the existence of a specific Plan
- each of our lives are significant in the Big Story
- in fact - the Big Story is made more full by each of our stories
- the scriptures are knowable for those who will devote time and reflection
- the goal of knowing the scriptures is to come to know the Living God more fully

DO NOT UNDERESTIMATE THE POWER OF WHAT HE HAS CHOSEN TO REVEAL TO US THROUGH HIS WORD!
EACH OF THESE “EPOCHS” fill in more of the Story, and prepare us for what will happen as we transition out of time and return to our never-ending future.

Think your way through each part of the story and the parts of scripture that are represented in each of the eight epochs.

What were some of the sections you found to be most interesting?

To which will you return for more interaction?

In what ways do you feel you are better prepared to draw more out of the God Story?

CAN YOU THINK OF ANYONE WHO WOULD ENJOY LEARNING ABOUT THESE EIGHT EPOCHS JUST AS YOU HAVE?
HOW TO GET A LOT OUT OF THE BIBLE WHEN I READ!

What are the elements of the passage?

What did it mean to the original participants?

What does it mean to me?

It is key to care enough to investigate faith stories from the Word of God, and to make room for asking the question: “what are the basic facts of the story before me?”

We then EXPOSE the meaning by placing ourselves into the particular context from which truth is emerging. What did it mean to the characters involved? The one telling the story? The original recipients of the story? What were the sounds? The smells? The feelings? The vivid pictures that such a situation exposes?

Once we have been careful to ENCOUNTER and EXPOSE it is time to experience an ENLIGHTENED HEART. What principles have been presented for my personal growth in faith? What does the Holy Spirit have to teach me from this passage? How will adapting such a principle enrich my life as well as the lives of those around me?

It is a true joy in life to live in Light and to help others interact with truth. Our worldviews dictate how we will live - and how we live is inseparably tied to our eternal glory in Christ!

ENCOUNTER THE WORD!
EXPOSE THE MEANING!
ENLIGHTEN YOUR HEART!

A number of things contribute to our worldview. Our upbringing and culture, our life-experiences and those who have been our teachers, our personal philosophical conclusions, and how we view faith and eternity.

JESUS invites us to consider His context for life and eternity, and to allow our personal worldview to be shaped by His Good Spirit. Such a quest is big enough to give substance to even the longest or most obscure life!

Always a great question:
How has this particular truth shaped my worldview and the way I choose to treat others - and commit my time, my talents, and my treasures?
HOW THE PSALMS CAN CONTRIBUTE TO MY HEART!

Whatever passage you are reading, always look for the heart connection!

The human body is fragile. Even in strength and good health it takes very little to turn everything upside down when our physical health is impaired. Our emotional life is similar. We can be high as a kite on life one moment, and then a simple word or change of circumstances can send us plummeting to earth, often to a very rude landing!

The soul is the indestructible part of us. It is where the true battles are fought and it is the arena of our conscience and our spirit as well. You could say it is where the essence of a man or woman exists. This is where our interior life is thought out, forged, and where we are won or lost. The soul is crucial to the measure of our lives. Giving attention to our interior lives is critical to the sum of who we are.

The Psalms are probably the best representations of an interior life that we have in all of human recorded history. The struggle with good and evil, desire and want, and anger and joy are all arrayed before us in the lives of the Psalmists - David, King of Israel owning the lion’s share of these helpful snapshots into our interior lives.

To put this into perspective, we must understand that David probably enjoyed one of the most intimate and spiritually favored lives with the Living God of any human who has ever lived. We can look into his writings and find his heart, and in so doing we can find God's heart. The Psalms are a key to unlocking our hearts.

When you take a look at almost any Psalm you will find it easy to break down, usually by paragraph. Often a premise is explained, a struggle is engaged, and each Psalm usually releases when the Psalmist has given his care and concern back to God.

TO “CRACK” A PSALM

- Pray that God will open the Psalms to you as you read.
- Read any story background in the scriptures on this particular Psalm that you can find.
- Divide the Psalm into sections.
- Follow the circumstance and emotions of the Psalmist through the entire passage.
- Choose and note one or two verses you think are key to your heart relationship with Him.
- Ask the question, “in what ways is this Psalm expanding my drive to be whole-hearted?”
