

# God Accuracy

**A few principles you may wish to follow-up on:**

**Job 42:7-17**

Speaking of God what is right is key to success in heart and in life.

*What does this look like in an everyday person's life?*

**Genesis 3:2-7**

There is a twister of truth - a father of lies running roughshod over the souls of mankind.

*Why is there a war and why are we in the middle of it?*

**Joshua 1:5-9**

The key to personal success is courage which comes from personal God Story connection.

*How does a person find and sustain connection and communication with our Creator?*

**John 8:31-33**

Continuing in Jesus' words will set us free - He is the Living Word of God.

*How does a person know when he or she grasps/continues in God's Word in an informed way?*

**Psalm 19 (entire Psalm)**

God is pouring out speech: *naturally* through what has been made, and *specifically* through how He has *intervened* by speaking through the Law, the Prophets, the Psalms, Jesus, and His apostles.

*Are you able to see and hear God's Voice?*

**Psalm 119:105**

God's Word is our guiding light through deep shadows and even inky darkness (Psalm 23).

*Where do you feel you are regarding the Light? (John 8:12)*

**Hebrews 1:1-4**

God has spoken to humanity - to the Jewish nation - and to the Gentiles - ALL the lost of humanity.

*In what ways do you feel you are lost? In what ways do you feel you are found?*

**Revelation 22:18-21**

Adding to and taking away from what God has spoken is a bad idea with sweeping consequences.

*What do you KNOW to be crystal clear about what the God Story teaches?*

*Where are you sketchy?*
