Matthew 12:46-50

The teachings introduced in the diagram below are the nexus of a Kingdom paradigm. God's man or woman for the 21st century will need to rediscover each of these principles to live and teach what it means to experience an awakening of heart. God's gift of a **pure heart, knowing God**, learning to **do kindness**, and passion for **growing life** help you offer the shelter of the Kingdom to others.

And Jesus said to them, "Therefore every scribe who has become a disciple of the kingdom of heaven is like a head of a household, who brings out of his treasure things new and old." - Matthew 13.52
