

LOOK AT ME - I'M DANCING!

David the Dancer - 2 Samuel 6:12-23

What in the world is going on here?

I would recommend the song "Dance Like Nobody's Watching" by _____. :)

You know you are dancing God's dance when you:

(what do these look like in your world)

Choose to watch out for someone who is unpopular or unaccepted by others.

Take a **personal interest** in reading and understanding God's Words to you.

Make time to be alone with God in the midst of your busy life.

Spend energy thinking (and practicing) what it means to be a **kind friend**.

Include God in the ups and downs conversations in your head and heart (nothing surprises God).

Respect your parents even when you disagree with them.

Thinking about **why** God made you the way He did and gave you/allowed the circumstances of your life (some you like and some you don't). (I never liked my ears)

And whatever you do - dance like nobody's watchin'!

(unless, of course, it doesn't bother you to dance in public)
