

Strong Homes Tune-up

From time to time it is a good idea to revisit what the God Story has to say about building a strong marriage.

Read the following three excerpts from the Bible and answer these questions together:

What does this passage tell me about how men and women relate to each other?

What from this reading tells me something about me (and what it is!)?

What does it tell me about understanding my partner?

What is a spiritual marriage supposed to look like?

1 Peter 3:1-9

Ephesians 5:15-33

Genesis 1:26-3:24

Now that is some great insight!
