

GOD AND FAMILIES

God is family.

Who is in it? (Genesis 1:1,2; Matthew 3:17; Proverbs 8:22-23 - Lady wisdom; Ephesians 3:15)

How long have they been family? (Psalm 90:2; Hebrews 1:2; 2:10)

We are a part of God's family. (Acts 17:24-28)

The purpose of family is to nurture God vision. (Deuteronomy 6:4-9)

God vision is rooted in God structure and God purpose. (Ephesians 6:1-4)

Husbands are to love and cherish our wives (Ephesians 5:25; Colossians 3:19).

Wives are to love and respect our husbands (Ephesians 5:33)

Sons and daughters are to obey our parents until we fully transition to obeying God
(Matthew 12:46-50)

We are all supposed to bless each other by our submission to God's will within our family

ALL of us (1 Peter 5:5).

Honor your Heavenly Father in all things.

Love your wife.

Love your husband.

Honor your father and your mother.

Love your children (and your children's children).
