

YOU ARE INVITED: COMING HOME

A one-week return to your spiritual roots.

JANUARY 4-8th, 2021

*“We’re leveraging COVID to create an environment to THRIVE
and overcome and calling it COMING HOME!”*

As you grew up you and your family were faithfully prayed for. We asked God for things *seen* and *unseen*: your heart, your soul, your success as a person, and the formation of the Kingdom within you. We are still praying for you :)

We would like to connect to celebrate, pray, and discuss what God is doing inside our hearts. We will deep-dive into some of the great themes of our lives - all within the solid back-drop of the God story (of course)!

Coming Home is:

- an in-person and on-line connection on January 4-8th to help encourage life-skills to thrive
- it includes stories and experiences that matter
- we investigate approaches to help you get started, build on top of what you have already begun, and mobilize for the journey to over-coming mentally, physically, relationally, and spiritually
- it provides conversation opportunity for you and your friends

Sound interesting? Our live team will facilitate lots of great stories, music, solid Word connections, and great conversations. Each evening will be streamed to connect with your special group of friends (if you want you can sign in to moderate your group and provide feedback).

3 Ways to connect: 1) in-person, 2) on-line, or 3) and/or as a watch party host.
